1. No one knows for sure what a [social entrepreneur](#) is, or supposed to be, or whether it's altruistic or a PR meme.
2. "Disruption" is very trendy now, in terms of how to smash around organizations to make them better [or weaker, depending on your purpose].
3. No one reads anything on the internet anymore unless there is a list of things and they're told how many items there are in the list.
4. I don't have anything else.
5. Fnord.
