

Ajnesh Prasad in Conversation with Stephen Buckley

by Stephen Elliott-Buckley - Thursday, July 20, 2006

<https://politicsrespun.org/2006/07/ajnesnesh-prasad-in-conversation-with-stephen-buckley/>

New to the Vista Editorial Podcast collection:

An intriguing conversation between Stephen Buckley and Ajnesh Prasad delving into the following:

- Ajnesh's research in gender issues
- post-colonial theory
- his work with Margaret Little at Queens University
- his flavour of leftist politics
- theories of sexual difference
- the place of gender in society
- the subtleties and nuances of the same sex marriage debate
- definitions of sexuality
- queer theory
- the queering of heterosexuality in a context of heteronormatism
