

Capitalism: Swing Your Sledgehammer

by Stephen Elliott-Buckley - Thursday, January 30, 2014

<https://politicsrespun.org/2014/01/capitalism-swing-your-sledgehammer/>

It's all about vision and hope, in an effort to envision how economics and markets can exist after the toxicity of capitalism is gone, gone gone. Are you up for it?

Last night, John Holloway, author of Crack Capitalism, was the [SFU Institute for the Humanities](#)' guest lecturer, skyped in from Mexico. He was full of inspiration and clarity. Enjoy my twitter reflections below.
