Do you look up to the 1%? How could you?

Come, children, let's take a look!

Fact:

The world's 85 richest people hold the same amount of wealth as its 3.5 billion poorest.

Opinion:

"It's fantastic, and this is a great thing because it inspires everybody, gets them motivation to look up to the one per cent and say, 'I want to become one of those people, I'm going to fight hard to get up to the top."
