[Monbiot's](#) pretty astounding.

As I was developing the whole [Politics](#) vein of [dgiVista.org](#), I came across this Monbiot piece about how to be idealistic, free and really really useful in the world. When unsure about the direction I've been taking with this [whole] site [actually], I serendipitously read [this piece](#).

The result? What you see here. And what you'll see in the future.
