Click me, to see the details of all that Harper is cutting from Canada's soul.

This is not to be missed. [Les Whittington](#) of the Toronto Star has conducted an exhaustive search of all the ways the Harper Conservative government is gutting Canada.

A Toronto Star analysis has for the first time pulled together a detailed account of the range of recent cuts seen under Stephen Harper's government.

- from [Conservatives dismantling social programs built over generations | Toronto Star](#).

It's organized by sector, includes background links and we all need to memorize it over the next few months so we know how to get rid of the Conservative Party cancer on Canadian society, whether there's an election after May 1, 2014, or all the way into 2015.
