[Raed in the Middle: back from the mideast](#)

It is the 21st century. A person with a t-shirt reading in English and Arabic "we will not be silent" is hassled before boarding a plane.

"Then I once again asked the three of them : "How come you are asking me to change my t-shirt? Isn't this my constitutional right to wear it? I am ready to change it if you tell me why I should. Do you have an order against Arabic t-shirts? Is there such a law against Arabic script?" so inspector Harris answered "you can't wear a t-shirt with Arabic script and come to an airport. It is like wearing a t-shirt that reads "I am a robber" and going to a bank".

The fear and paranoia that is eroding the human security of the people in the United States...and elsewhere...is unacceptable. UNACCEPTABLE!

Canadian Prime Minister Stephen Harper's email address is pm@pm.gc.ca

The email address of the person hired to pretend to be President of the United States is president@whitehouse.gov

Please read this posting and email them both explaining how you feel about the state of mental and emotional security in North America.

IF WE DO NOT OPPOSE THIS, IT WILL GROW AND INFEST OUR PSYCHES UNTIL "THEM" TERRORIZES "US" SOLELY IN OUR IMAGINATIONS.

Society as we know it will crumble as the fear-mongers undermine our security.

If we do not stop it, it is our fault because we will let them.

Enough!
