*Asked about British Columbians who don't vote, she said "they have something great and they are not using it."*

*"A safe place like Canada can remain safe forever if we vote for good people and good parties."*

*Zaineb Shamel*

How could you not love this woman?

How could you not love that there are 121,500 newcomers to BC in the last 4 years who can vote?

How could you not love 4 twelve hour days of advance voting next Wednesday?

We get what we pay/vote for. And we don't get what we don't vote for.
