Please add in your comments below

1. What are your seat predictions?
2. What do you think will be the final popular vote results?
3. Will Christy Clark lose her seat?
4. If the Liberals lose, will Christy Clark (a) resign tonight, (b) vow to rebuild the party, or (c) take time to reflect on her future?

You can read our liveblog after the jump - it starts with cautious optimism, anxiety, and some cynicism, and ends with crying.
