Politics, Re-Spun is on [The Rational](#) on [Coop Radio](#) on Monday, March 19, 2012 from 6pm to 7pm with an intriguing lineup! [Listen live online](#) or at 102.7fm in the Vancouver area.

With the NDP Leadership convention concluding the months of campaigning next weekend, with a new occupant of Stornaway charged with forging an alternative to the increasingly draconian Conservative Party, we thought it would be a good idea to profile the candidates

But instead of having people speak for the candidates, we thought we'd invite 8 people to spend some time on the show explaining why they are supporting their candidate. No talking points, just people talking about what matters to them: 7 people for the candidates, and one representing the still undecideds.

We'll also host a liveblog here - you can interact with the candidate's representatives and our contributor, Kevin Harding, as they discuss who would be the best next leader of the NDP. Throw in your own questions, comments, or more.
