Politics, Re-Spun is on [The Rational](#) on [Coop Radio](#) on Monday, March 12, 2012 from 6pm to 7pm with an intriguing lineup! [Listen live online](#) or at 102.7fm in the Vancouver area.

Here's the lineup:

1. Dylan Penner will talk with Stephen Elliott-Buckley about the [Canadian Boat for Gaza](#): why, what happened, what's happening now and what's in store for the future?
2. Greg Felton will talk with Alnoor Gova about the NDP and Israel.
3. The first of 3 parts of a conversation between Stephen Elliott-Buckley and Nuu-chah-nulth Tribal Council President Cliff Atleo. Topics orbit around the greater relationship between "Canada" and First Nations, in this era of post-Attawapiskat media concentration. Plus forestry, fishing and living holistically with each other and our world.
