Quebec singer Ariane Moffat has released a song, entitled "Jeudi 17 mai 2012", which is targeted squarely at the Charest government's emergency law Bill 78.

Chanteuse québécoise Ariane Moffat a lancé une chanson, "jeudi 17 mai 2012." Cette chanson est contre la Loi 78, enactée en réponse des manifestations contre l'hausse de scolarité. C'est, d'accord, magnifique.
