

## Send your questions about government science funding to #pmhadfield

by kevin harding - Thursday, March 07, 2013

<http://politicsrespun.org/2013/03/send-your-questions-about-government-science-funding-to-pmhadfield/>

[Stephen Harper will apparently be chatting with Commander Chris Hadfield later this month, and he's asking people to contribute their questions via the #pmhadfield hashtag on Twitter.](#)

What better a time to ask Harper about his government's de-funding of scientific research, policies towards funding only 'marketable research' and muzzling of government scientists?

Have at it, Twitter.

Read some of the initial queries after the jump.
