Four years ago, I was writing about HalloweenMart's [Sexy Indian Squaw costume](#).

They're back at it again this year with another take on being a sexy Indian for Halloween. Is it racist? Is it sexist? Is it offensive on any other level?

If you would like to share your opinion of this costume with HalloweenMart, [you can contact them here](#).

Sexy Indian Princess Plus Costume

Whether you are John Smith or Tonto this Sexy Indian Princess is up for an adventure. Play in the stream, run with the deer or just relax in the sun with this lady of the land. She maybe [sic] one of nature's wildest flowers, but she's still the Chief's daughter so you better make sure he doesn't catch you poking around in her teepee. Sexy Indian Princess costume consists of brown dress with fringe trim, feather hair ornament, armband and faux fur boot covers. Make sure to check out our vast wig selection to complete your Indian Princess look! Fits 16-22.
