

The Trouble with Old Men: Coal

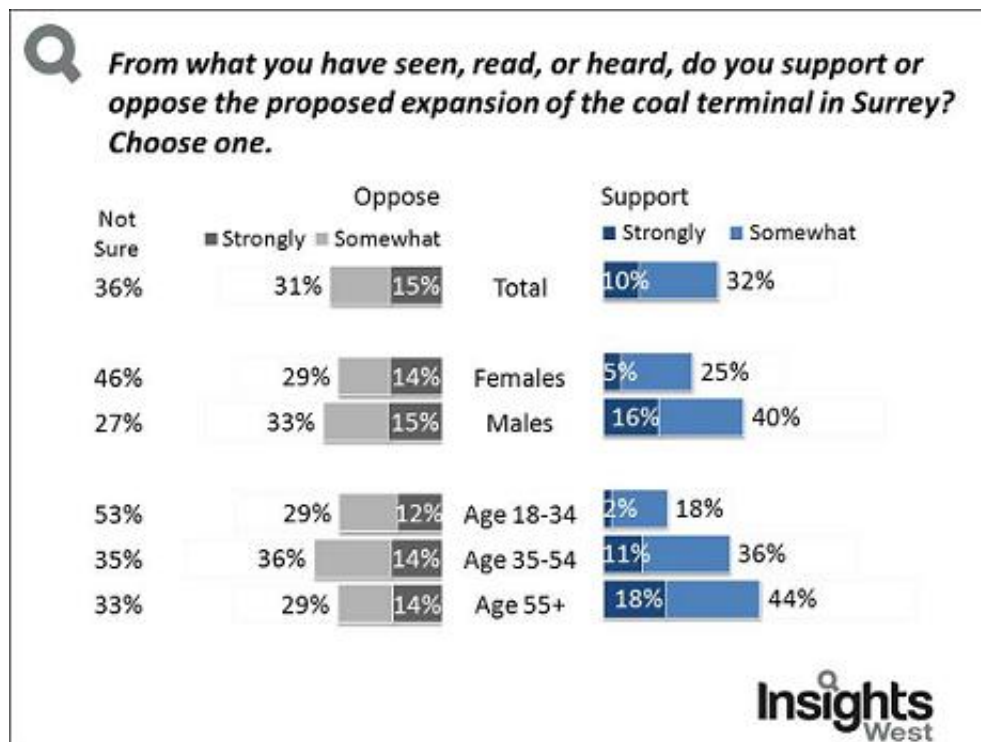

by Stephen Elliott-Buckley - Tuesday, October 07, 2014

<http://politicsrespun.org/2014/10/the-trouble-with-old-men-coal/>

Most know that coal contributes to climate change and coal dust is an environmental problem.

But old men skew far higher in supporting a coal terminal anyway.

Are old men just stupid, or are economic benefits just more important to them?
