

## **Turning Points: Pot and Less Trust in Corporate Media**

by Stephen Elliott-Buckley - Monday, December 23, 2013

<http://politicsrespun.org/2013/12/turning-points-pot-and-less-trust-in-corporate-media/>

Turning points.

Here are two graphs that show a changing tide.

I have [already written about](#) trust in corporate media tanking. Now we can see a turned tide in pot use. And in Canada prostitution is no longer illegal. We are either entering a time of abject moral decay, or a shift away from uptightness.
