What is Politics, Re-Spun?

Journalistic objectivity is a myth. "Fair and Balanced" is a lie. The "No Spin Zone" is the All Spin Zone.

Corporate-concentrated media is bad for democracy and good for keeping people afraid, disempowered, immobilized, isolated and consumers rather than citizens.

So it is important to de-spin the political and re-spin it for social, economic and political justice.

More reflections are [worth your time here](#).

WordPress is a great web platform because open source is powerful, competent, free of global corporate manipulation and some of the best of the altruism of the internet.
