I'm white, so I'm qualified to explain that white privilege and entitlements don't exist? So shut up?

Enjoy the stupid, ignorant, red herring cultivating and watch the white host infantilize and berate the non-white guy.

So Sun TV recently decided to convene a panel to debate whether or not "white privilege" exists.

Four participants in the debate were white. One participant was not white.

What could possibly go wrong -- on Sun TV?
