BC's next municipal election is just under 7 months away: Saturday, November 19, 2011.

Below are Twitter hashtags for municipalities and political issues in BC. Please send in other municipal/political hashtags and I'll update this list.

And let's work up a BC municipal election 2011 hashtag. Something like #BCMunicipalElection2011. :)

Or maybe #BCmuni11, etc.

Or maybe #bcLGE11, [because not everyone is in a municipality](#). And it's one character shorter.
