The wise, inspiring folks at One Million Vaginas have done it again, helping reframe Trump's attempt to disempower women into an empowerment meme.

Feel free to sprinkle these hashtags as well!

[#GrabHimByTheBallot](#) [#NeverTrump](#) [#RapeCulture](#) [#SexualAssault](#)

So please, all my American friends/readers, and all YOUR American friends, help the world out by grabbing November 8th by the ballot:

1. Don't vote for Trump.
2. Don't vote for Republicans, who have brutally disrespected women for far too long.
3. If you're living where a [Democracy for America \[Bernie Sanders\] endorsed candidate](#) is running, support them.

Because it's 2016...and we still have lots of work to do to fuck the patriarchy.

Lean in! :)
