You know you want it!

Someone really crossed the line from whoops, to nuclear codes.

One of the 15,000 weekly blog spam comments that never make it to the human eyes stage on this website, accidentally made it through.

Sadly, it is a compendium of all the kinds of faux-sincere blog comments. Which is like Christmas for those who pay attention to the sociology of the internets.

Read at your leisure, and peril. Actual websites deleted to not encourage bad behaviour.

It becomes a mildly deranging mantra of ill. Kind of like neoliberal capitalism.

Push back!

Remember, [Occupy Vancouver reboots at 615pm Thursday night at Grandview Park](#). Come join us with your ideas. Mine are all about seeking equality and justice: economically, socially, politically and environmentally.
