Well it turns out that the Trilateral Commission wasn't just some 1970s paranoid conspiracy theory. Neither is the global trade triad of the EU, USA and Japan that account for most of global trade.

But who runs the world's most powerful corporations and what kind of incestuous relations do they partake in?

[TheyRule.net](#) presents a nice interface to examine the overlapping neo-feudal aristocrats. They use a kind of six degrees of Kevin Bacon search engine to connect what is nebulous to most of us. But [their description](#) of themselves is more useful.
